

JABRA GN9125

Jabra

SERIES

FREEDOM AND PRODUCTIVITY

The Jabra GN9125 is a wireless headset that works the way today's in-office professionals work. Offering an unbeatable range of personal mobility in the office, a robust talk time and a host of innovative features and benefits, the revolutionary GN9125 will give complete wireless freedom in the office.

The unique four-way conference call feature lets you hold fully mobile, secure conference calls not restricted to meeting rooms and without interruptions by the distortion of speakerphones. And, the Jabra GN9125 comes with a choice of three different boom arms, equipped with different microphones to suit quieter or louder office environments. With two speakers, the Jabra GN9125 DUO is perfect for open, noisy offices.

INTERFERENCE FREE FREQUENCY BAND - DECT 6.0

The Jabra GN9125 operates on the 1.9GHz radio frequency band, which is a reserved channel for telecommunications equipment using DECT 6.0 technology – providing low interference and high quality audio.

TECHNICAL SPECIFICATIONS

Range of up to 300 feet¹	The Jabra GN9125's unrivalled range gives you up to 300 feet of mobility away from your base unit!
Up to 12 hours of talk time	With talk time of up to 12 hours, the Jabra GN9125 won't let you down during even the longest of days.
1.9 GHz DECT 6.0	You always get distortion-free, fully secure calling.
Mute function	If you need to consult with others while on the phone, the mute function lets you quickly pause the transmission of your voice.
Volume control	<p>Receive adjustment: You're in full control of your caller's voice volume. Simply press the volume up/down buttons to adjust it.</p> <p>Transmit setting: Naturally, you can even adjust the volume of your own transmitted voice to suit the person on the other end.</p>
PeakStop™ Protection	The Jabra GN9125 DUO guards against sudden loud noise spikes from the telephone network – max 118 dB SPL (RMS).
Conference calling	The multi-unit conferencing features let up to four headsets join a call. Now you can hold a fully mobile conference from virtually anywhere in the office!
Remote call answering/ending	<p>The Jabra GN9125 series features remote call answer/end functionality, letting you answer/end calls while away from your desk. The Jabra GN9125 works with:</p> <ul style="list-style-type: none"> • The Jabra GN1000 remote handset lifter, which mechanically lifts/lowers your telephone's handset. • A telephone's built-in electronic hook switch (EHS), which electronically answers/ends calls. (requires Jabra EHS adapter)
1 year warranty	Rest assured with Jabra no fine print warranty.

¹ Based on use in standard open office environments.
